- For all **Emergency** situations, the Provider is required to contact the IDT as soon as possible.
- Professional LTC services include
 - Supportive Home Care
 - Attendant Care
 - Respite Care, etc.

Requesting Services

- Services can be requested by Members, Guardians or Providers.
- The IDT needs the following information:
 - Member Name & Date of Birth
 - Description of services to be provided and the HCPCS code
 - Units and frequency of service(s)
 - Dates of Service
 - Service Location
 - Identify Live In Care Giver
- Questions regarding service requests should be directed to the Member's Care Manager.

SR Date and Claim Dates

- If an SR is approved with an end date in the middle of a month, providers need to bill per the SR dates in order for the claim system to pick up the SR and apply the unit counts appropriately.
 - The claim system cannot apply two SR's to one claim.
- Example:
 - SR is approved for 1/6/2020 through 3/6/2020. The next SR is approved for 3/7/2020 through 6/7/2020.
 - The March claim must be billed as two claims, 3/1-3/6/2020 and 3/7/2020-3/31/2020 (or beyond) in order for them to process correctly and apply the appropriate PA/SR and units.

Electronic Visit Verification (EVV)

- iCare will not require Live-in Workers to use EVV
 - Submit claims with the KX modifier to bypass EVV requirements
- All supportive care services will require an EVV to match the services submitted on the claim
- EVV can be updated at anytime to match the claim. If a claim denial occurs prior to the update, a request for review can be submitted within the Review/Reopen Guidelines found here:
<https://www.icarehealthplan.org/Claims/Claims-Processing.htm> (Claim Review/Adjustment Guidelines)
- Please see our EVV Guide for complete details:
<https://www.icarehealthplan.org/Education/Resources.htm>
